

Summer Term Curriculum

Year 3/4 Cycle B

Equipping our children with the knowledge and skills to navigate life successfully.

English

Variak Paw

To write a narrative based on a different character's perspective and a non-fiction text

Picture books (Voices in the Park/The Mysteries of Harris Burdick)

To explore ideas and themes within pictures and make predictions and inferences based on the images.

History

We will be learning about the Romans.

We will explore Roman Britain (The Celts), myths and legends, Roman legacy, Roman army and we will look at how the Romans changed Britain.

Music

Listen2me

Listen2me- Ukulele – Droxford and Meonstoke

Blackbird by The Beatles

We will be using the song to explore folk music and compose our own pieces inspired by Blackbird.

Maths

Year 3: Four operations (addition and subtraction with 3-digit numbers, multiplication and division with 2-digit numbers), statistics, measure, time and geometry.

Year 4: Four operations (addition and subtraction with 4-digit numbers, multiplication and division with 3-digit numbers), statistics, measure, time and geometry.

All children will learn new mathematical concepts, practise procedures and apply in a range of real-life contexts and be able to reason.

Art

Roman Coins

Using sketching and clay skills to re-create Roman coins.

DT

Structures

We will design a structure using CAD technology to create strong packaging.

Plants

To identify and explain the different parts of a plant.
To explore the right conditions for plants to grow.

Forces and Magnets

To understand the forces that magnets exert on each other.
To explore how magnetic forces are affected.

Science

Computing

We are Software Developers:

We will design and make an educational game using Scratch

PE

Cricket

Rounders

Athletics

Tennis

Personal Development Learning (PDL)

Health and well-being

We will be learning about how to express feelings, healthy eating, hygiene and teeth.

RE

The concept of authority taught through sacred books and the concept of temptation exploring making choices.

French

We will be continuing to learn about weather in French.
