Curriculum Overview for Years 5 and 6 Spring 2022 English Art & Design Greek Pottery: Observe existing Greek Writing & Reading: Can the Right Choice be the Wrong Choice?- Eagle in the snow. Here

we will debate and write balanced arguments based on a text set across two World Wars.

The Whale: Here we study a picture book and make inferences to help us understand the story.

Floodlands: We read this novel to develop our reading skills and develop our writing of a range of genres.

Mathematics

Year 5: Fractions, decimals, percentages, measurement, geometry and statistics.

Year 6: Fractions, decimals, percentages, measurement, geometry, algebra, ratio and proportion and statistics.

All children will learn new mathematical concepts, practise procedures and apply in a range of real life contexts

Science

Animals (including humans):

Children will look at animals: what they need to survive and stay healthy, the respiratory and circulatory systems, how they grow and age. They will also conduct and write up their findings of an investigation.

History

Topic: The Ancient Greeks

Understanding where (geographically) and when the Ancient Greeks existed. Researching and reacting diplomacy; law and order: relate to today's world. Understanding architectural advances, the worshi of gods and goddesses, educational break throughs and power advancement through war. Realising the lifelong legacies left by this civilisation – compare to life today.

pottery artefacts and consider the meaning that they portray. Investigate the use of pattern in Greek pottery.
