

# Calshot Information 2021

Welcome!

We'll start at 5pm 😊

This session will be recorded for people to watch later if needed.

**'To inspire and educate for life'**

# Calshot Information 2021

15<sup>th</sup> – 19<sup>th</sup> November.

Drop off children at the square – 9.15am (15<sup>th</sup> July)

Pick-up time from the square – around 2pm - will be confirmed when we leave Calshot.

**'To inspire and educate for life'**

# Security, supervision & evenings

Calshot Activity Centre is a public facility on Calshot Spit.

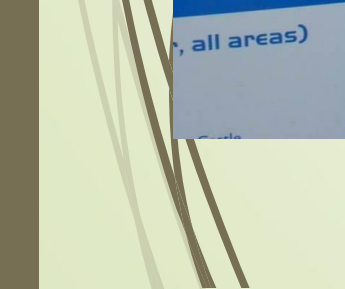

The children are closely supervised at all times and where/when and with whom we are meant to be is clearly established.

The main hangar (exterior)

This is a secure building with no public access.

# The Staff

The staff are all fully trained in all the activities we do, DBS checked and superb with children! A member of the centre staff will be with each group for every activity. Each group will also have 1 or 2 school staff with them as well at all times. Lastly, Calshot have a 'night warden' who can support after lights out.

# The Day

		4	Archery					All Aboard

This is our timetable from the last time we visited for a week – our timetable this year hasn't been confirmed yet but the activities will be similar 😊

4 groups – mostly, the same instructor stays with same group **all trip**

# The Accommodation

This is the accommodation we have stayed in previously – we may be here again but this will be confirmed nearer the time.

There is not much storage space in the rooms so please don't pack too much!

Also, important = **do not bring any aerosols.**

# The Accommodation

There will be a corridor for the boys and a corridor for the girls.

Each corridor has it's own toilets and showers.

Lawrence House – one of the accommodation blocks.

Our block = TBC

# The food

There's always so much!

The kitchen staff are fantastic at providing for people's needs.

Please let us know ASAP if there are any dietary requirements.

# The field studies

Coastline Catastrophe

Muddy Morasses

Terrific Trawling/Beach Bonanza

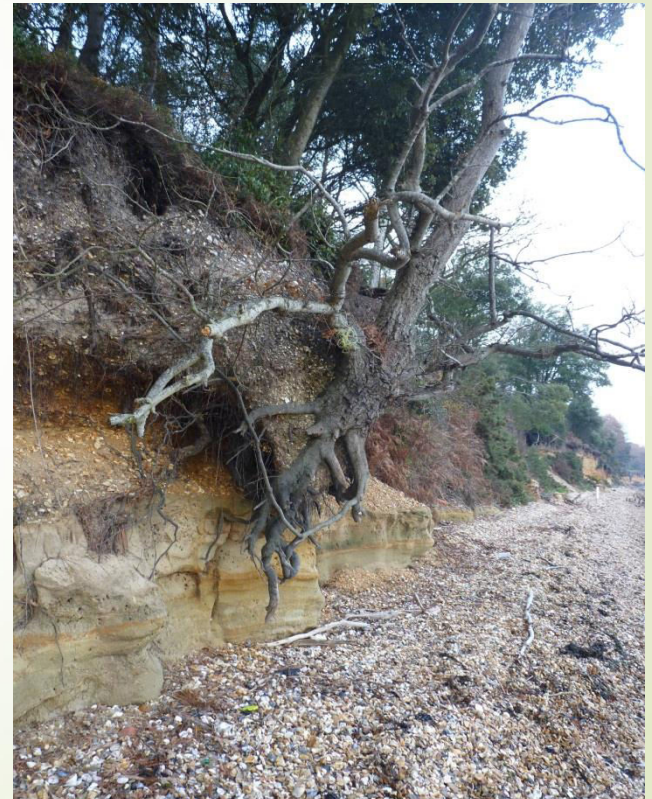

Crazy Co-ordinates

## Coastline Catastrophe

Children follow the progress of pebbles from cliff to spit, investigating coastal processes and management at Calshot Spit.

## **Terrific Trawling\***

Using our trawler, students catch a variety of marine life which they then identify and draw back in the classroom. Plankton is examined using a microscope and video camera.

### **Beach Bonanza\***

Stepping out of the classroom, students examine our beaches to investigate adaptations of coastal marine life. Back indoors, Beach Life posters are made by identifying and drawing the animals and plants collected.

## Muddy morasses

## Crazy Co-ordinates

Using co-ordinates and mathematical skills, students map geographical landforms along a stream and reproduce them to scale back in the classroom.

# The Activities

Archery

Climbing

Skiing

Ringo

Laser Climb

Aerotrek (a version of Go Ape!)

\*Again, final activities TBC

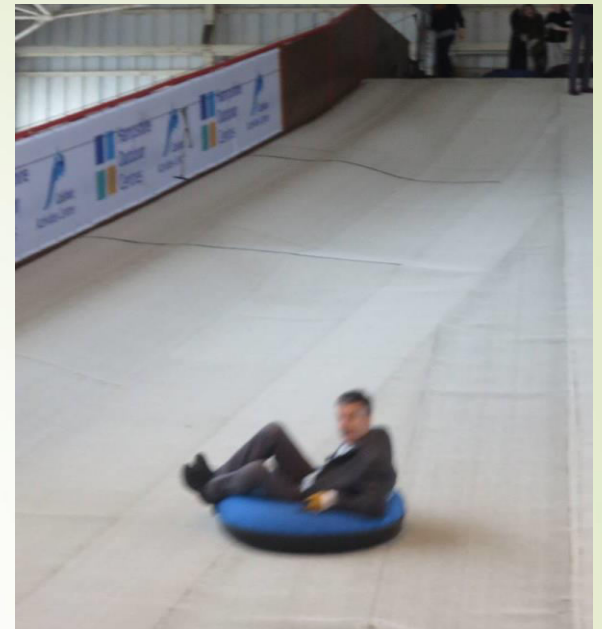

# Ringo-ing

# Evening Activities

## Twilight Tudors

Explore the Tudor castle by torch light.  
Act out plays in the grand setting with  
props and costumes.

# Evening Activities

## Quiz Night

Beat the teachers in a quiz evening.

## Egg Drop

Design a container to protect an egg from a large drop - design, teamwork and construction.

# Evening Activities

## Daring Detectives

Step back in time to 1930's and use variety of forensic science techniques to discover who has perpetrated the crime against the RAF's High Speed Flight.

# Final Checklist

- Pack bag- use kit checklist (has been emailed out and can also be found on the website) – label all kit with names please,
- Check child can carry bag - they may be on the second floor and will have to carry it themselves,
- Hand in medicines to a teacher with instructions including inhalers even if they are prescribed and seldom used **before** getting on the bus,
- Meet 9.15 am in The Square!

If you have not returned the  
consent form, please do so  
ASAP
