<https://www.hants.gov.uk/thingstodo/outdoorcentres/ourcentres/calshot>

During their time at Droxford, children experience 9 nights away!

Camping skills, tree trail study, nature studies.

Abseiling, climbing, caving, archery, orienteering, low ropes, shooting, cooking

Stand up paddle boards, sailing, kayaking, and team building skills, teamwork and independence.

Climbing (big walls!), trawling, skiing, cycling (velodrome), geography / science field studies, tower climbing!!!

# Use your "Skills for Learning"

Tenacity

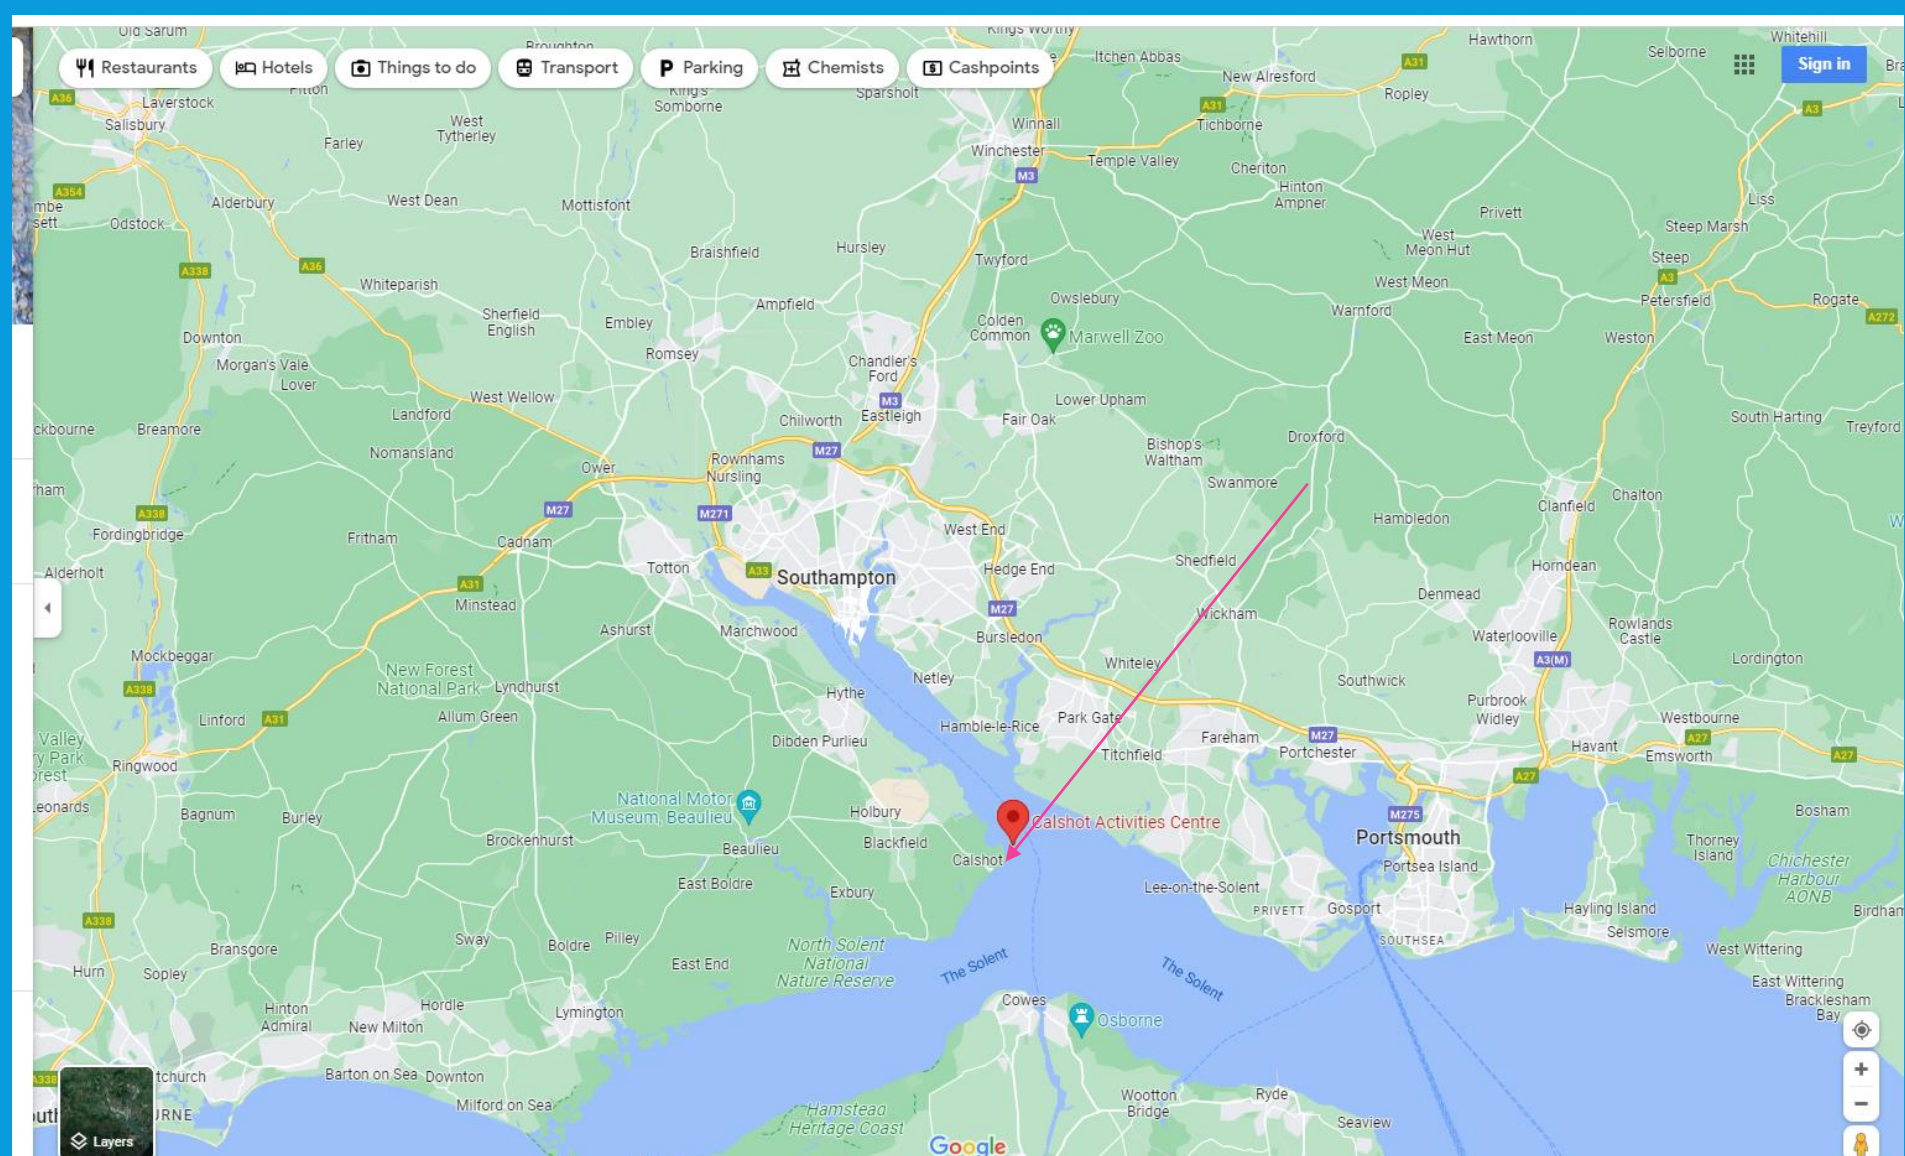

Creativity

Curiosity

Collaboration

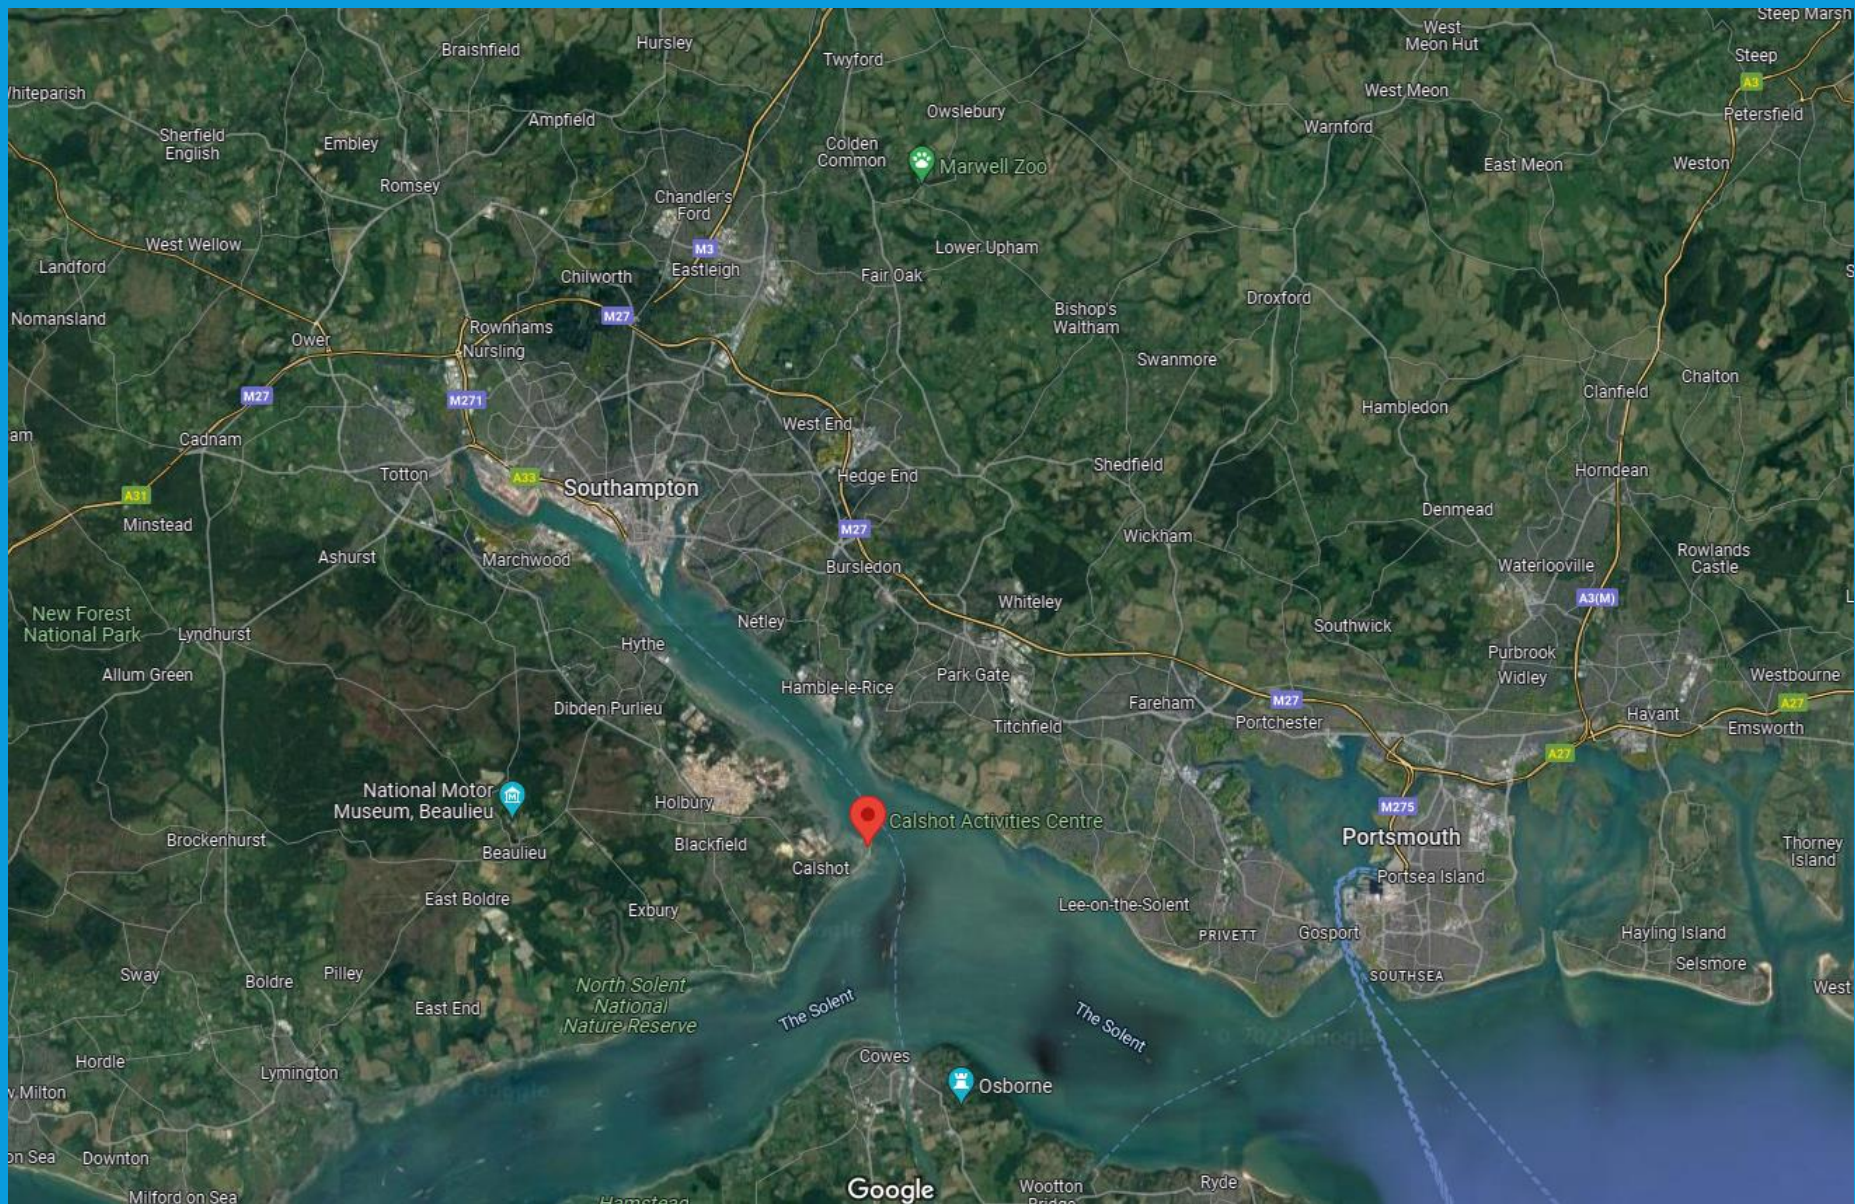

...and be part of a successful crew!

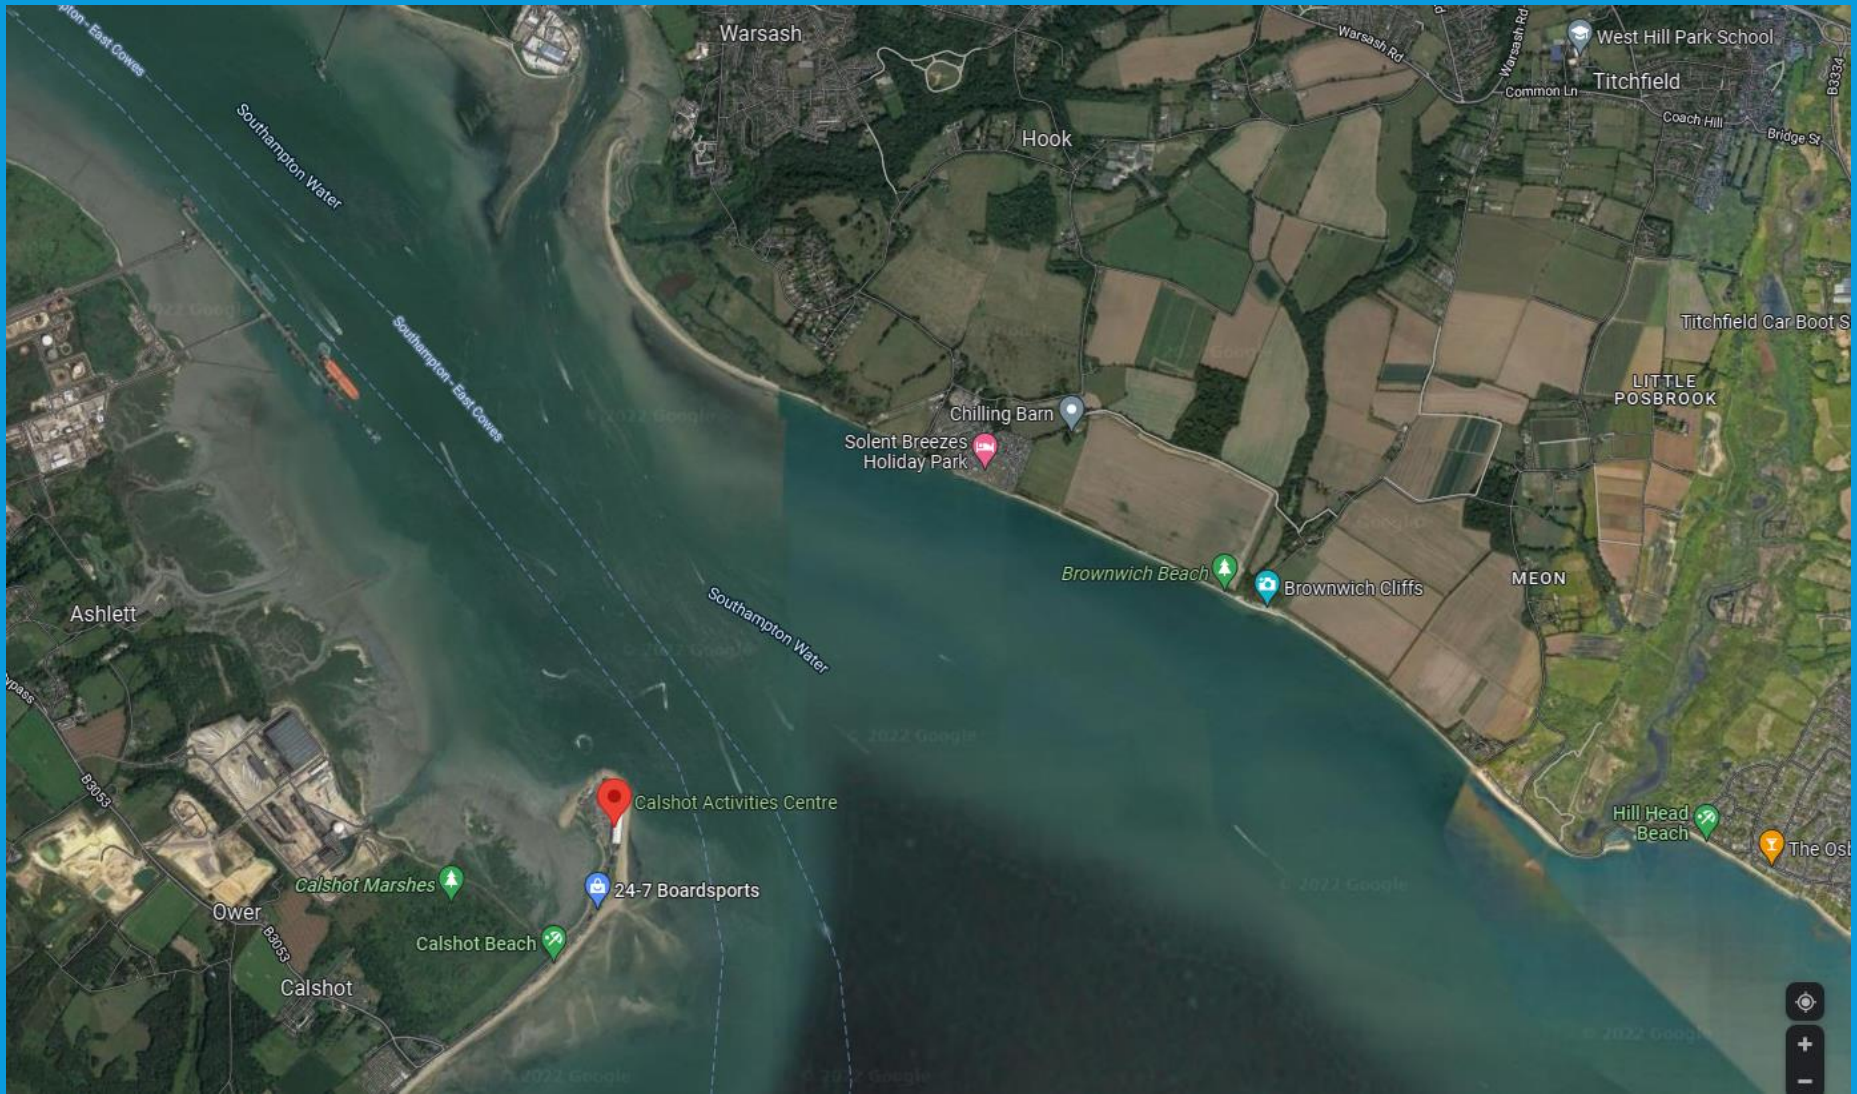

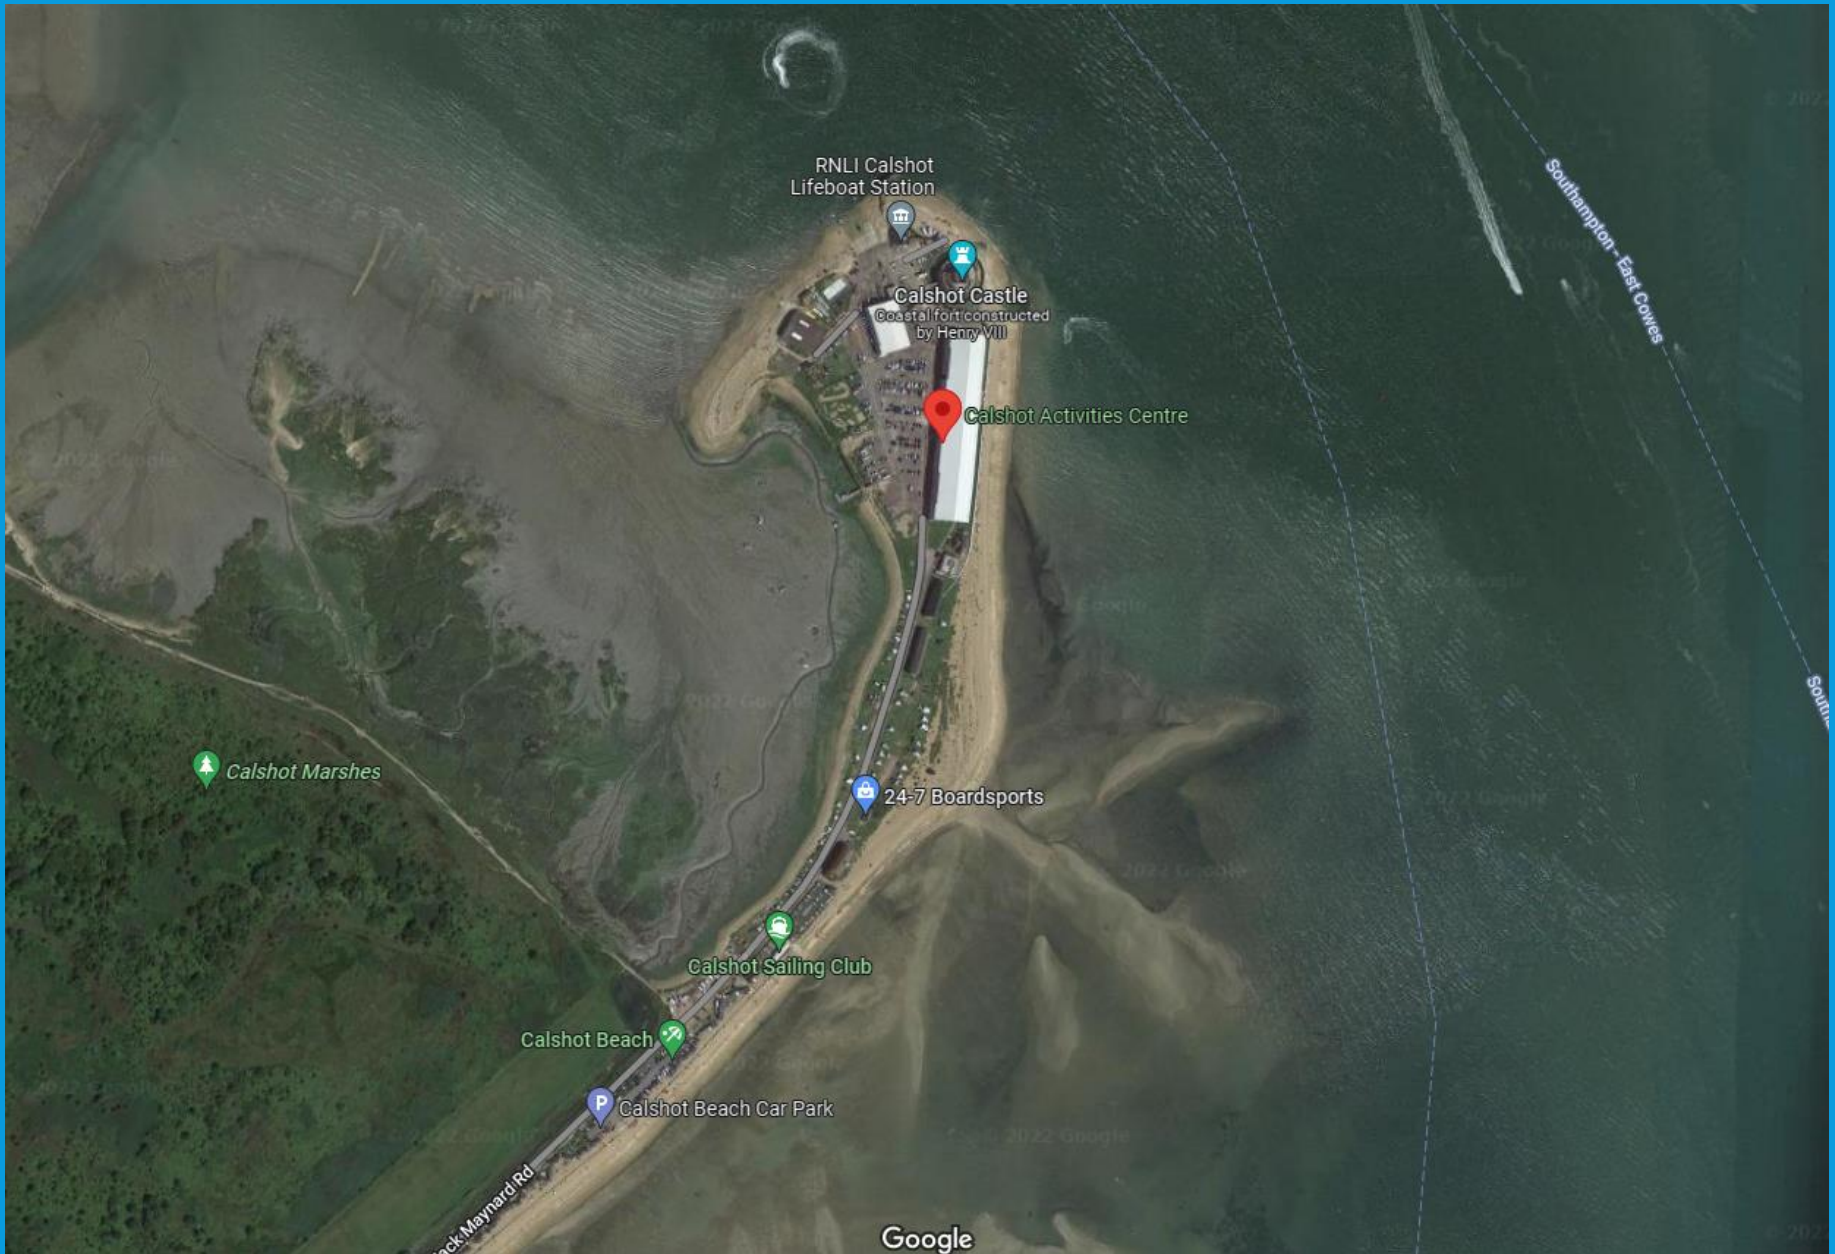

Another National Park – 35 miles / 1 hour journey

# Security, supervision & evenings

Calshot Activity Centre is a public facility on Calshot Spit.

The children are closely supervised at all times and where/when and with whom we are meant to be is clearly established.

The main hangar (exterior)

# Security, supervision & evenings

Our accommodation is TBC

All residential accommodation is in a secure building with no public access.

Droxford staff in attendance all week.

- Mr Dampier
- Miss Jones
- Miss Barker
- Mrs Fowler

# The Activity Centre Staff

- The staff are all Local Authority Centre staff; fully trained in all the activities we do
- DBS checked and superb with children!
- A member of the centre staff will be with each group for every activity.
- Each group will also have 1 or 2 school staff with them as well at all times.
- Lastly, Calshot have a 'night warden' who can support after lights out.

# Activity timetable – long days – lots of physical fun and learning.

		4	Seine Netting				

This is our timetable from the last time we visited for a week – our timetable this year hasn't been confirmed yet but the activities will be similar 😊

4 groups – mostly, the same instructor stays with same group **all trip**

# The Accommodation

This is the accommodation we have stayed in previously – we may be here again but this will be confirmed nearer the time.

There is not much storage space in the rooms so please don't pack too much!

Also, important = **do not bring any aerosols.**

# The Accommodation

There will be a corridor for the boys and a corridor for the girls.

Each corridor has it's own toilets and showers.

Lawrence House – one of the accommodation blocks.

Our block = TBC

# The food

There's always so much!

The kitchen staff are fantastic at providing for people's needs.

Please let us know ASAP if there are any dietary requirements.

# The field studies

Coastline Catastrophe

Muddy Morasses

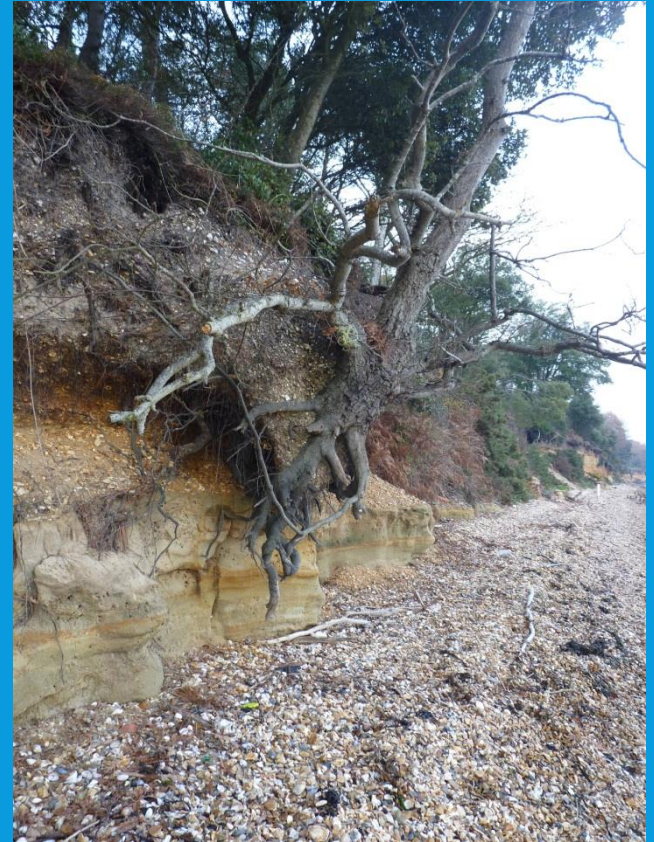

Seine netting

Crazy Co-ordinates

# Coastline Catastrophe

Children follow the progress of pebbles from cliff to spit, investigating coastal processes and management at Calshot Spit.

# Seine netting

## Crazy Co-ordinates

Using co-ordinates and mathematical skills, students map geographical landforms along a stream and reproduce them to scale back in the classroom.

# The Physical Activities

Archery

Climbing

Skiing

Ringo

Laser Climb

Cycling (velodrome)

Aerotrek (a version of Go Ape!)

Aero Trek – indoor Go Ape!

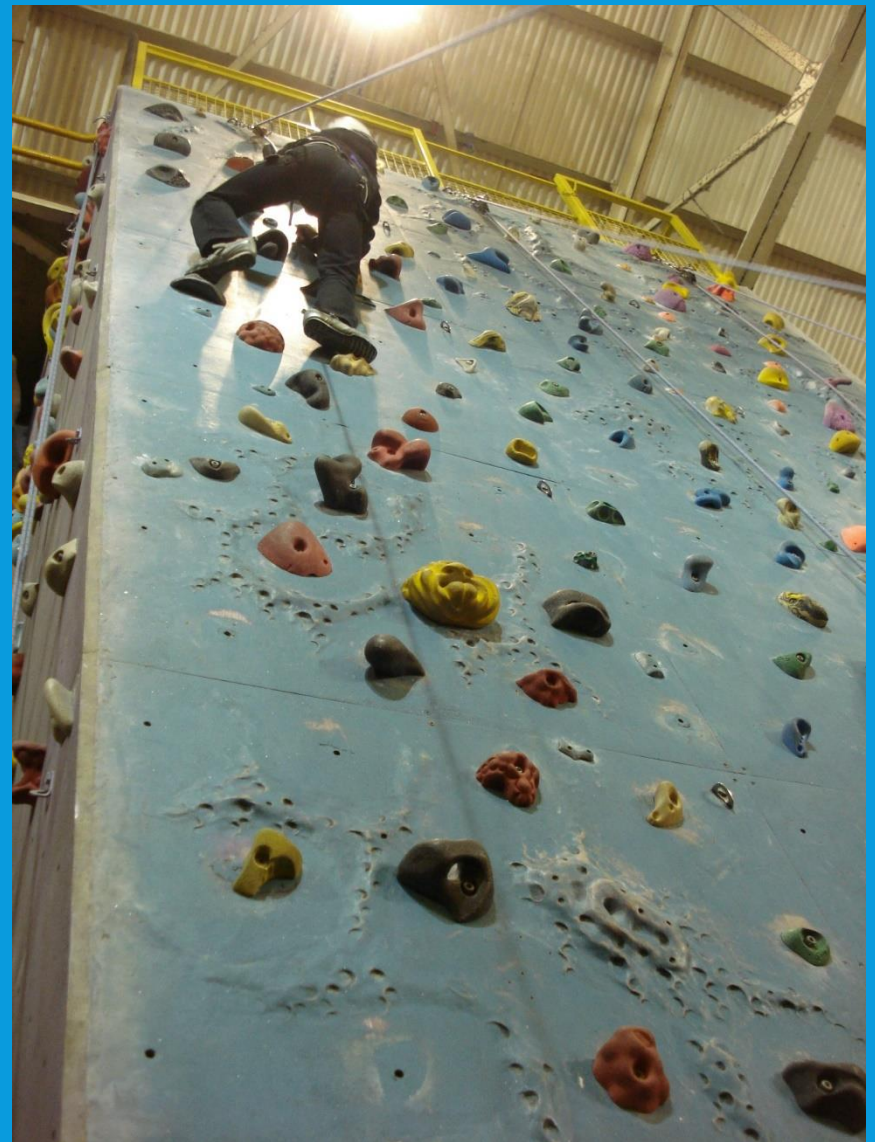

Safety talk: Safety equipment!

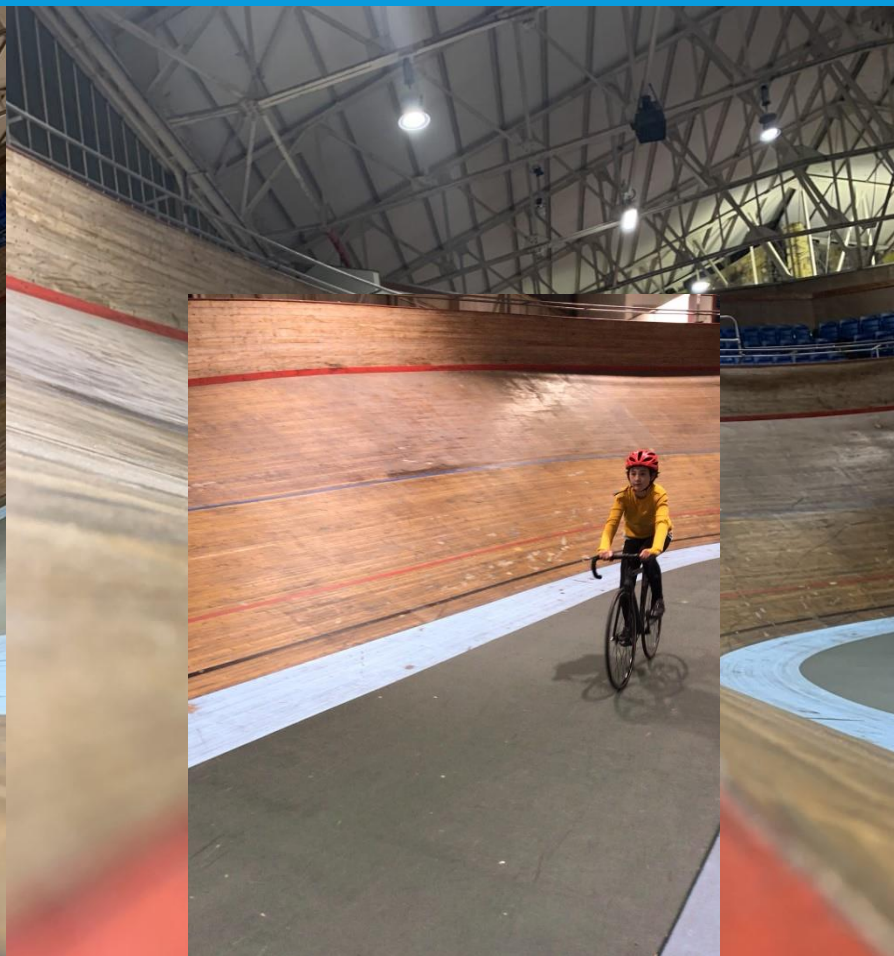

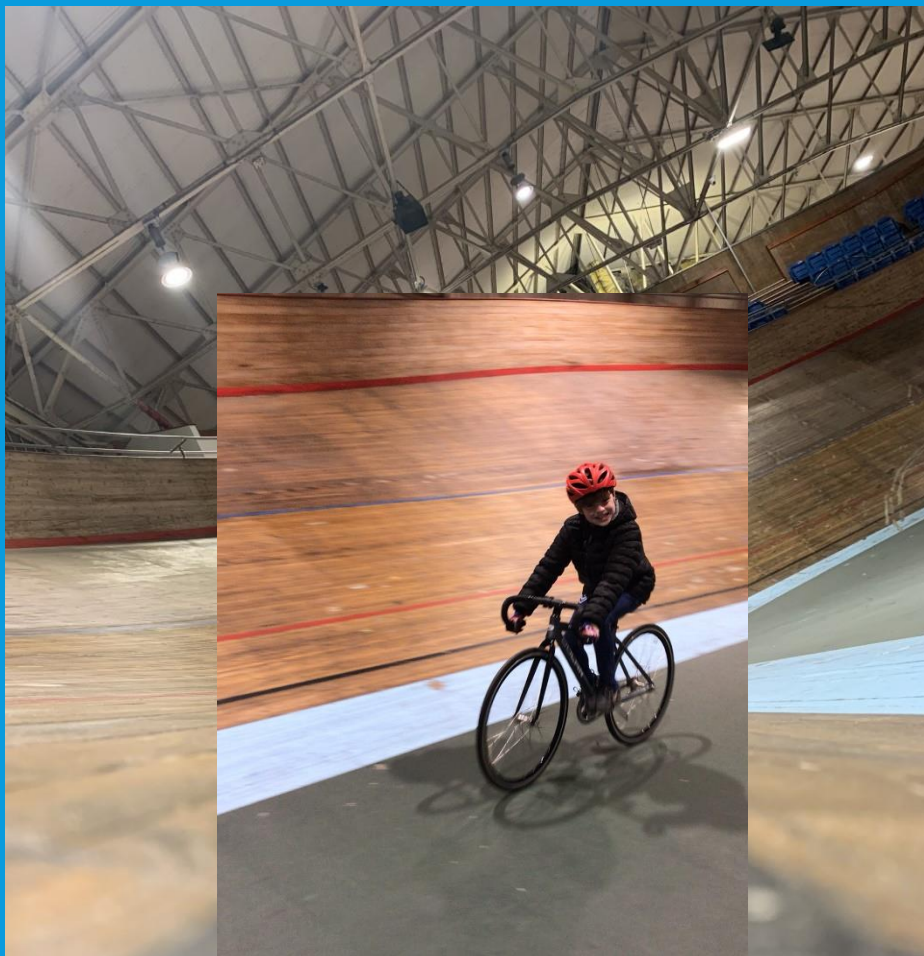

# Ringo-ing

Cycling in the world famous Calshot Velodrome!

## Indoor archery range

One activity they may have done before – using previous experiences; honing skills and attempting to do better.

# Evening Activities

## Twilight Tudors

Explore the Tudor castle by torch light.  
Act out plays in the grand setting with  
props and costumes.

# Evening Activities

## Quiz Night

Beat the teachers in a quiz evening.

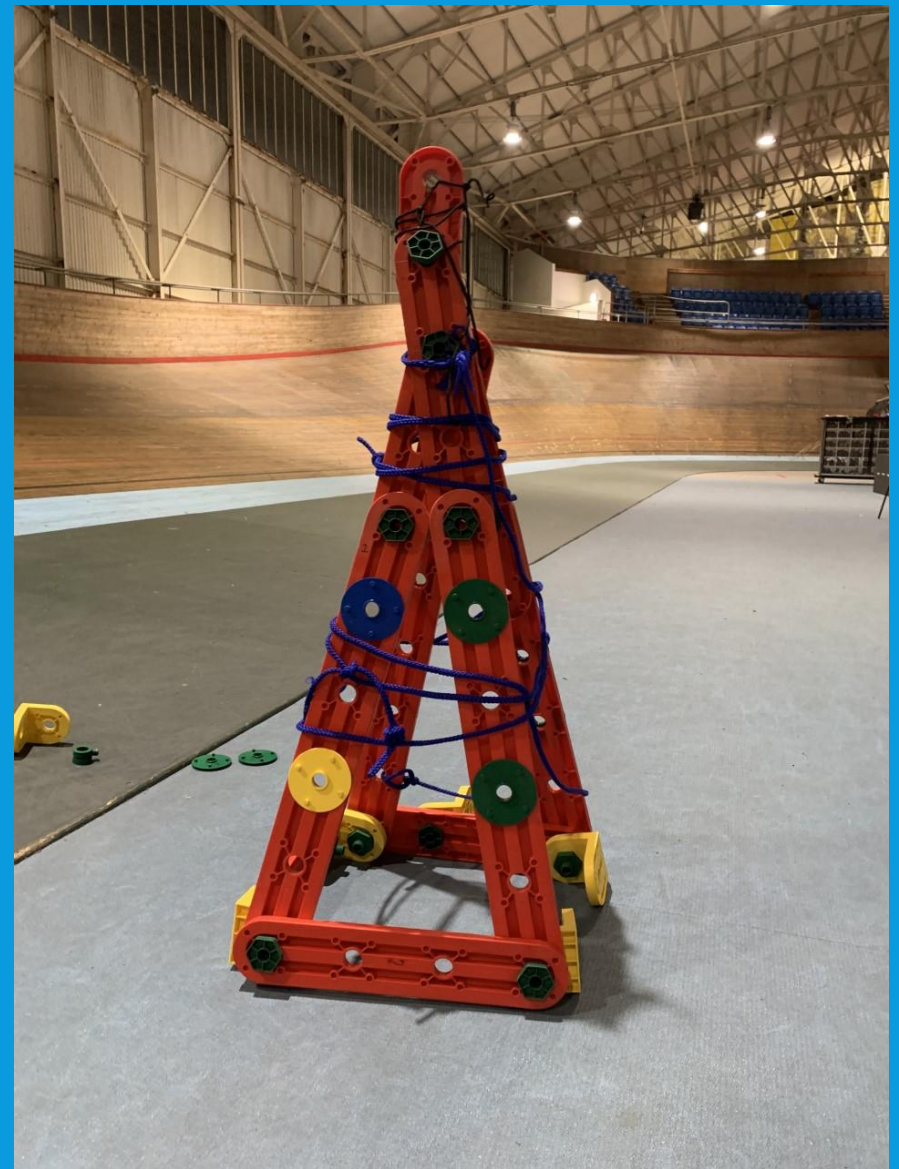

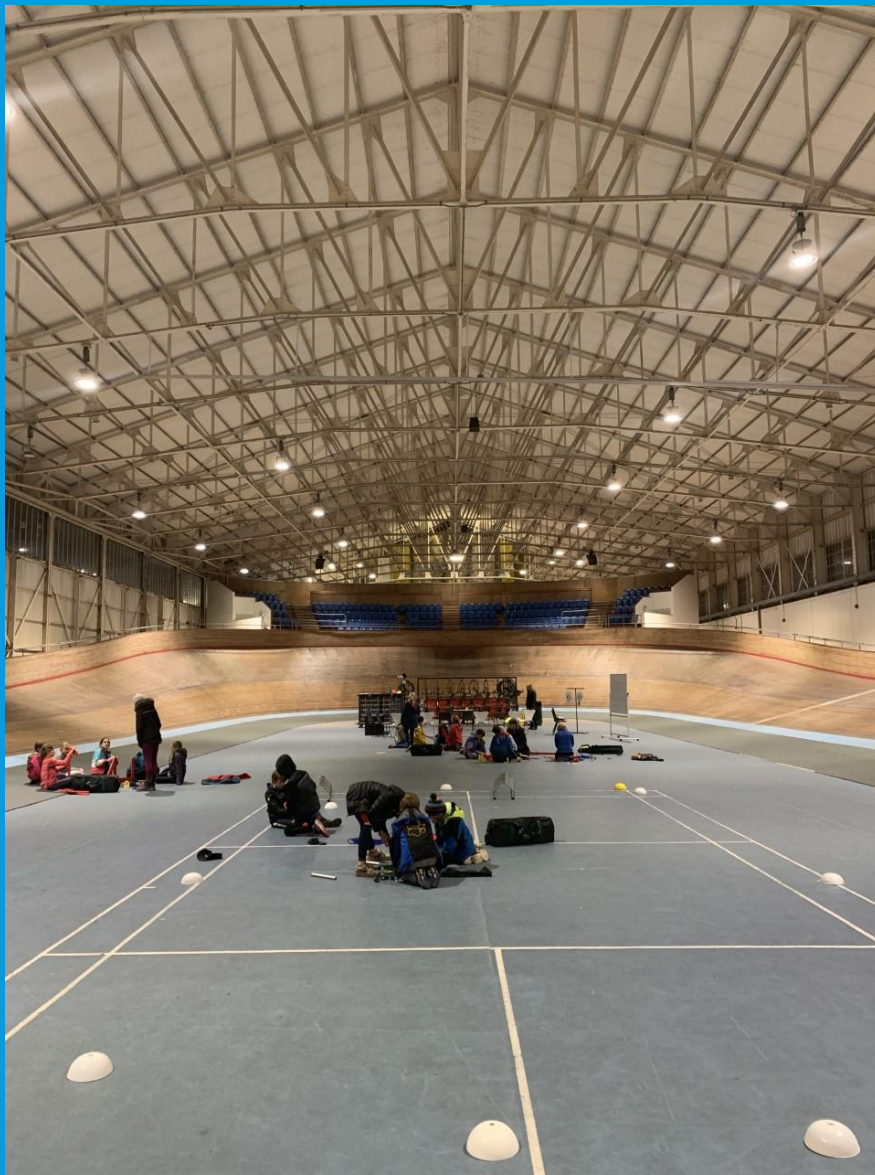

## Egg Drop

Design a container to protect an egg from a large drop - design, teamwork and construction.

Evening Activity – Construction challenge in the velodrome!

# Evening Activities

## Daring Detectives

Step back in time to 1930's and use variety of forensic science techniques to discover who has perpetrated the crime against the RAF's High Speed Flight.

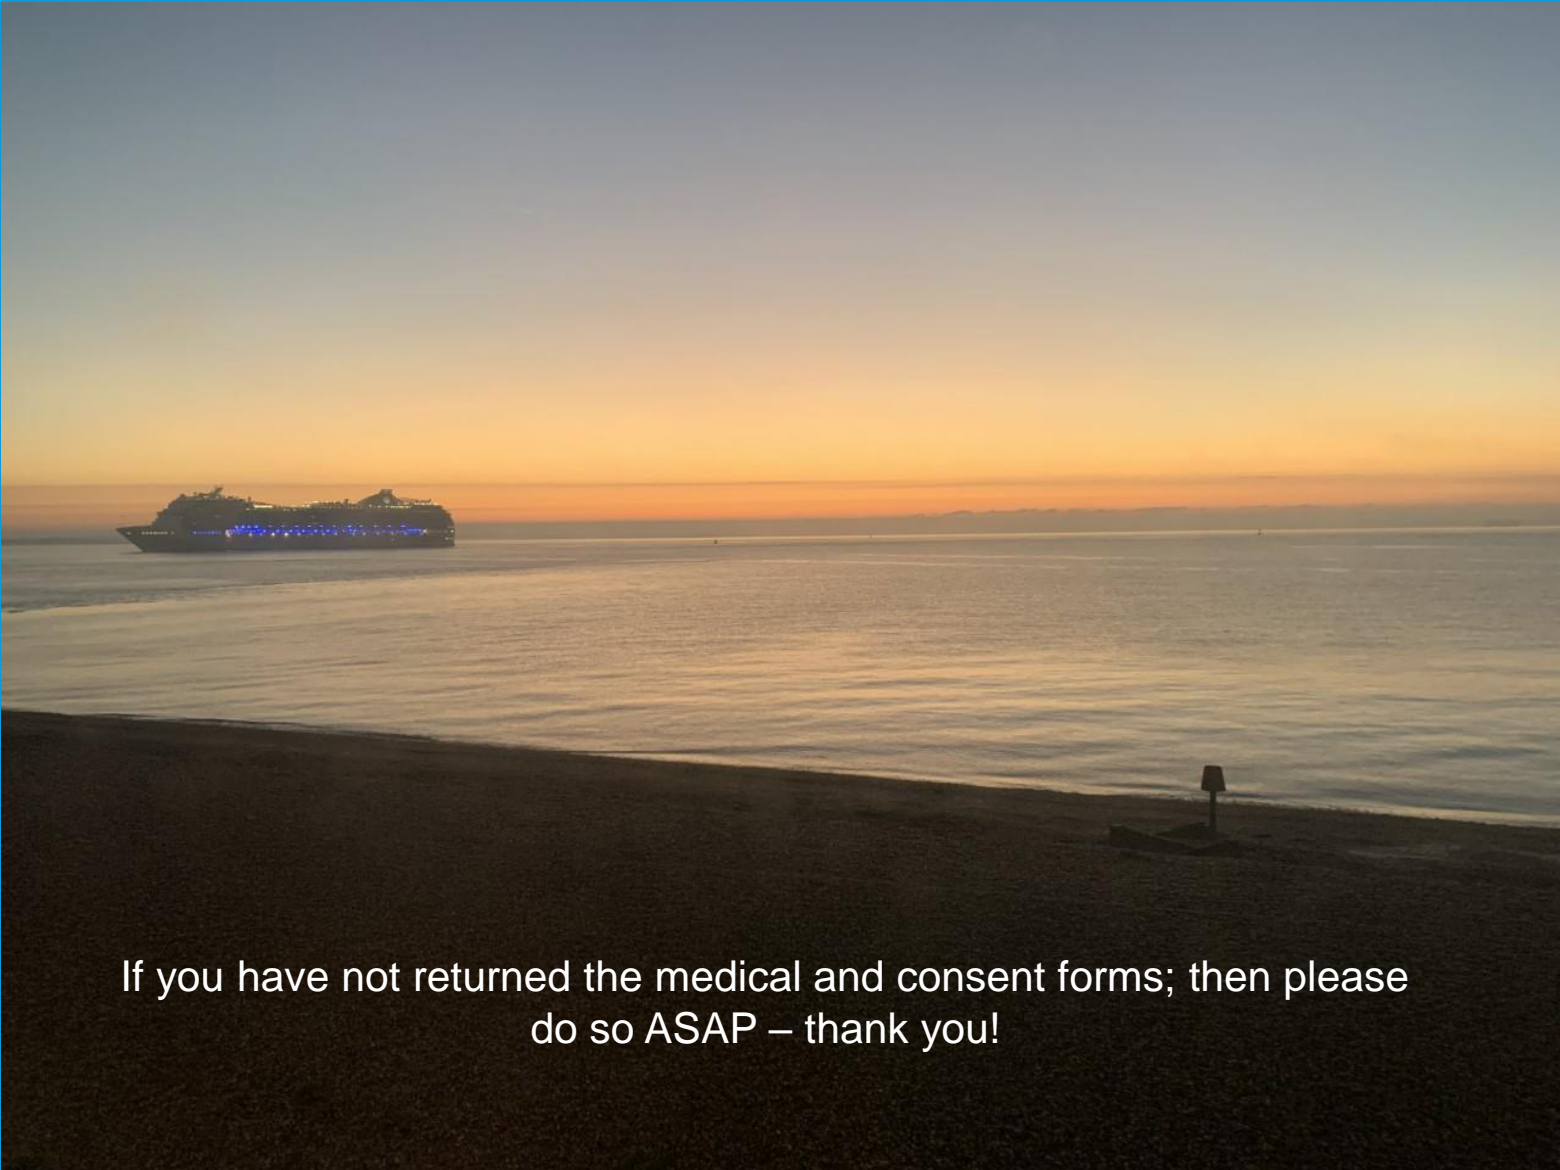

# Final Checklist

- Pack bag- use kit checklist (has been emailed out and can also be found on the website) – label all kit with names please,
- Check child can carry bag - they may be on the second floor and will have to carry it themselves,
- Hand in medicines to a teacher with instructions including inhalers even if they are prescribed and seldom used **before** getting on the bus,
- Meet 9.15 am in The Square!

A large cargo ship is visible on the horizon of a calm sea during a sunset. The sky is a gradient of orange and yellow, and the water reflects the light. In the foreground, a dark, sandy beach is visible with a small, dark object, possibly a light or marker, on the right side.

If you have not returned the medical and consent forms; then please  
do so ASAP – thank you!

Happy children! Any questions?
