Hampshire	76%	30%	81%	25%	80%	27%	68%	78%	35%
Droxford	**81%** (8%) above National	**48%** (21%) above National	**83%** (5%) above National	**31%** (11%) above National	**90%** (11%) above National	**29%** (2%) above National	**74%** (9%) above National	**83%** (5%) above National	**46%** (10%) above National

It is fantastic to see that in all the main measures, the children's outcomes are above not only the National averages, but also the average of the schools in Hampshire. This is obviously a great result for the children, we are all incredibly proud of them. We also have improved data in many areas since the 2019 SATs, which is why the 2019 results are here to compare. Obviously cohorts of children are different but to see scores go up after the two years of school disruption is very impressive. Credit to our whole school community – children, staff and parents. Well done!

KEY:		
	EXS	Achieved the expected score
	High Score	% of EXS who achieved a higher than expected score
	GDS	Working at greater depth within the expected standard
