How can you get involved next year?

As parents of Year 6 pupils are leaving FODS too, we really need new committee members to keep FODS going. Talk to us about roles of vice/Chair, Social/Secretary, vice/Treasurer, Publicity, Sponsorship & plenty more!

You don't have to be on the Committee to support FODS's work for Droxford Junior School pupils though... here are some of the ways you can use your skills, interests and time to help:

Our aims for next year are to run more child focussed enrichment activities (Covid permitting), generate more sponsorship, and make use of online platforms so that we can achieve more for less work!

**Come to our AGM on 27 September 2022 at school (& via zoom)
to find out more - time to be confirmed early next term**

6 Reasons why FODS really matters

Friends of Droxford Junior School (FODS) is a group of parent/carers volunteers who link with the School teaching team, Governors and our parent community. We help bridge the funding gap where school budgets are tight, build relationships with our parent community, make a difference to the school life of all children, and have a lot of fun along the way!

1. For the kids

Become a role model to show your child you value their education.

"I really enjoy seeing my Dad in school at events!"

5. Be connected

There is no better way of knowing what's happening in school.

2. For the school

Help the school to raise funds. Have a voice in the purchases that are made to support the children

6. It forges connections beyond the school gates

FODS is brilliant for building relationships through social events in the local community.

3. It gives you a voice

Whether it's deciding where FODS funds are spent or getting parent views on wraparound care, you can make sure parents have a voice in how your school operates.

"It's great that we finally have some decent kit at school!"

4. It's fun!

We aim to enjoy ourselves in all our roles. From planning events to running a stall, we also put skills from other areas of our lives to good use.

Keep FODS going

As parents leave school we need to keep the Committee and FODS going.

Positions available for 2022-2023:
