## September 2024 Newsletter

Dear Parents

We would like to offer a special welcome to all the families who are new to our school community. We are looking forward to welcoming all the new Year 3 parents this week for the Open Morning on Friday from 10.45 am.

Strong partnerships are essential; we have an 'open door' policy so that issues are resolved quickly and the children are settled, happy and successful. We always encourage children to speak to adults in school so we can help immediately. Please contact the school office if you have any queries or wish to contact your child's teacher.

Our 'Skills for Learning' and School Values are integral to our learning and positive behaviours in school. I am sure, if you are not aware of them already, that you will be during this term – either through your child's work and successes or subsequent visits to the school which include...

The new FODS committee would like to extend their thanks and gratitude to the members of FODS who have now sadly moved on with their children.

The devotion, time and enthusiasm is what has made such a difference towards our children's lives at school through their endless fundraising.

Past, present and future cohorts will benefit from the money they collectively raised over the years and for that we are truly grateful to them.

Thank you Amanda, Sian and Elaine.

And we wish you all the love and luck for the future.

Kind regards

FODS
