Equality Objectives 2024-2028

Our Equality objectives have been set using a variety of school data and School Improvement Plan priorities.

Objective 1

To promote diversity within our curriculum associated resources, with specific references given (when appropriate) to race, religion, gender, SEND and different family models.

Objective 2

To review the range of high-quality texts used across the curriculum with a particular focus on English and PDL ensuring the range of texts reflect our diverse society and to build further cultural capital and awareness across the school.

Objective 3

Teach specific strategies to ensure children use their 'Skills for Learning', Growth Mindset and Zones of Regulation to overcome challenge and become more resilient.

Objective 4

To embed the importance of good attendance within the culture of the whole school community to secure equality of opportunity for pupil engagement, attainment and progress.

Objective 5

Increase proportion of disadvantaged children attending extended school activities, trips and residential.

Vision: 'Equipping our children with the knowledge and skills to navigate life successfully'.
